

House Information

Warmly welcome to the Turracher Höhe!

Dear guests, we are happy to welcome you at the **Alpengasthof Gletschermühle** and wish you a pleasant and enjoyable stay. We have summarized the most important information for you:

The Gletschermühle: Up to the 1980s the Gletschermühle was used as an Alpine hut which was later rebuilt and extended to the present purpose. A "Gletschermühle" is a stone or a rock which was washed out by the glacier. Such a relic from of bygone days is to be found 100m from our house.

Rental times: We are happy to let our cosy apartments all year round. Our inn is accessible by car except for the winter months.

Check in times: Our apartments are available at 4pm on the day of arrival.

Check-out times: We ask you to leave your apartment by 10am.

Payment Options: Please note that we accept cash or bank

transfer in advance.

Transportation with snow mobile (in winter):

On arrival we can pick you up till 10am and from 4pm, at the car park at the Panorama Bahn.

On departure transports can be carried out up till 10am.

Room keys: The room keys lock the door at the end of the terrace. Always lock this door.

Smoking: Our house is a non-smoking home. Therefore we kindly ask you to smoke outside only!

Visitors: To ensure your safety and to prevent any misunderstandings, visitors have to be reported to us immediately.

Garbage: Your waste must be separated (organic waste, paper, plastic, glass, aluminium) and can be given to us daily.

Shoes: Our apartments and rooms are to be entered with clean slippers only.

Dogs: We kindly ask you not to walk your dogs in the immediate surroundings of our inn. Thank you!

Operation times of the lifts: The lifts operate daily from 9am to 4pm! Then slope preparations begins with a winch. Please be informed that using the slopes is life threatening.
